WM. COMSTOCK & SON.

There is more catarrh in this sec-  
tion of the country than all other dis-  
eases put together, and until the last  
few years was supposed to be incur-  
able. For a great many years doctors  
pronounced it a local disease, and pre-  
scribed local remedies, and by con-  
stantly failing to cure with local treat-  
ment, pronounced it incurable. Science  
has proven catarrh to be a con-  
stitutional disease, and therefore, re-  
quires constitutional treatment. Hall's  
Catarrh Cure, manufactured by F. J.  
Cheney & Co., Toledo, Ohio, is the  
only constitutional cure on the mar-  
ket. It is taken internally in doses  
from 10 drops to a teaspoonful. It  
acts directly on the blood and mucous  
surfaces of the system. They offer one  
hundred dollars for any case it fails  
to cure. Send for circulars and tes-  
timonials. Address,

## LYCEUM THEATRE.

That strong play of American life,  
teeming with heart interest and excit-  
ing scenes, "His Last Dollar" is the  
production to be seen at the Lyceum  
theater the last of the week, com-  
mencing with Thursday's matinee. The  
company is headed by David Higgins  
and Eleanor Montell.

The play was written by Mr. Hig-  
gins and Baldwin G. Cooke and has  
many beautiful love scenes, artist-  
ically portrayed by Mr. Higgins and  
Miss Montell. He is a great favorite  
in Toledo, where his natural methods  
have always demanded attention. In  
fact some herald him as the second Sol  
Smith Russell. This is the third sea-  
son of his present production, and  
everywhere the critics have pro-  
claimed it to be by far the best pro-  
duction he has ever been in.

## BURT'S THEATRE.

With a den of real live ferocious  
African lions, a rural quartet, a rube  
band and a number of acts usually  
seen in circuses, "Her First False  
Step," coming to Burt's includes  
about as much as can well be gotten  
into one production. This play will  
be seen on Thursday afternoon for the  
rest of the week.

In this play the girl goes from the  
farm to the city, into the circus, tak-  
ing her "first false step" but is redeemed  
just in time. She takes her life in her  
hands at every performance for she is  
thrown in with the lions and is re-  
sued by her lover, the hero. Those  
who think the beasts are family pets  
will have a surprise in store for them  
when they have a look at the savage  
brutes.

## How to Cure Corns and Bunions.

First, soak the corn or bunion in  
warm water to soften it; then pare it  
down as closely as possible without  
drawing blood and apply Chamber-  
lain's Pain Balm twice daily, rubbing  
vigorously for five minutes at each  
application. A corn plaster should be  
worn a few days to protect it from the  
shoe. As a general liniment for  
sprains, bruises, lameness and rheu-  
matism, Pain Balm is unequalled. For  
sale by Bowers & Comstock, drug-

## The Better Way

The tissues of the throat are  
inflamed and irritated; you  
cough, and there is more irrita-  
tion—more coughing. You take  
a cough mixture and it eases the  
irritation—for a while. You take

## SCOTT'S EMULSION

and it cures the cold. That's  
what is necessary. It soothes the  
throat because it reduces the  
irritation; cures the cold because  
it drives out the inflammation;  
builds up the weakened tissues  
because it nourishes them back  
to their natural strength. That's  
now Scott's Emulsion deals with  
a sore throat, a cough, a cold,  
or bronchitis.
